

What will happen to your home when you die?

Free Neighborhood Will & Estate Planning Workshop

Thursday, October 4, 2018, 6:30pm

Calvary Center (48th & Baltimore Avenue)

If you own your home, do you know what will happen to it after you die? If you get sick and can't speak for yourself, do your doctors know what your wishes are? Do you need a power of attorney to have someone pay your bills and make financial decisions for you?

Cedar Park Neighbors and the Drexel University Thomas R. Kline School of Law are teaming up to hold a neighborhood workshop at Calvary Center at 48th & Baltimore on Thursday, October 4, 2018, at 6:30pm. The workshop is free, but everyone is encouraged to join Cedar Park Neighbors if you are not already a member. (Membership starts at \$7/year for seniors, and you can become a member at the workshop.)

At the workshop, neighbors will learn about simple wills, living wills, and powers of attorney. Everyone can then sign up for a free one-on-one follow-up meeting at Drexel University to write their actual documents.
