

BALTIMORE AVENUE QUESTIONNAIRE

Let's have a conversation...What would you like to see on Baltimore Ave., 49th – 52nd Streets?

Cedar Park Neighbors (CPN) is hosting a conversation about Baltimore Avenue and we hope you will participate. We have been working hard with others on neighborhood improvements. However, the portion of Baltimore Ave., 49th St. – 52nd St., once a thriving business district, has fallen on hard times. What improvements do you imagine for this area of our community? We are seeking input through this questionnaire and a series of community workshops. CPN is pleased to be working with the Community Design Collaborative, a volunteer based community design center, on this listening process with community residents, businesses and organizations. Let us know your thoughts. (Feel free to continue on the back)

What shops, services, or facilities would you like to see on Baltimore Ave., 49th - 52nd?

What would you **not** like to see?

What ideas do you have for the vacant lots at the corner of 51st & Baltimore? Please dream BIG.

What improvements would you like to see for these blocks?
